Heather Hurlburt Hurlburt Family Mourning Piece. They are standing beside three graves, of 58-yo Lemuel Hurlburt and two young children. Assumption is the artist was wife or daughter of Lemuel.

Ruth M. Brandon I'm guessing this is a cousin stream - Heather, your dad & I are descended from great great grandfather Hiram Harvey Hurlburt born March 5, 1827 - but his father, John Hurlburt JR was one of 12 children so there is much room for Sarah to have been a sister at the great great great grandfather level. John Jr's father John Sr. moved to Woodstock, Vermont in the 1700s from Salem, MA where the family settled in the 1600s. Supposedly before Hiram Harvey Sr, the name was spelled without the second "r": Hurlbut. Since he was born after the painting you show, that may be false - or both spellings may have been in use - or there could be a whole different family line of Hurlbut that if joined to ours, was joined back in England before arriving on these shores> That is the best I can give.

Rachel Hurlburt I have done some family research, and have a bit of a family tree going. I have that John Hurlburt Sr. had a daughter, Sarah Emerson Hurlburt that was born in 1764.
