Dear Samuel,

I thought that I had gone through all the boxes in my attic but tonight I came upon two more, one full of photos - including Leslie at 3 months. But more interestingly I came across a lot of really old photos. Some are of the old house on Chelwynde Avenue (with the greenhouse by its side). Some appear even older and one seems to be a tiny tin type. I don't know what to do with them. I am copying this to Leslie in case she wants them. I leave in four weeks and so I need to figure out what to do with them.

I also came across some photocopies of photos with remarks on the back of them. The are of James Donaghy (1834-1913); Charles Donaghy (1843-? - unmarried; served in the Civil War); Rachel ? Donaghy (1804-1875, Ireland-Philadelphia, wife of Charles (1) DONAGHY); Eliza Kinner Donaghy (1843-1899; Ireland, Philadelphia wife of James [2?] Donaghy; Charles (1) Donaghy (1795-1895 - Tyrone, NI-Philadelphia; Arrived port of Philadelphia, March 1851). I can either scan these or send them to you.

Finally I came across a business card for the flower business. It's rather marked up. (I saw an unmarked one a few weeks ago but might have accidentally thrown it out.) It verifies the flower business. When I scanned it I increased the size. I have no idea of the date but there is a changed telephone number that might indicate when it was operative.

I also I have a scan of a photo of workers at Stokes but it's 1.3 MB and I only have dial up at home. If you want it, I can send it from work tomorrow. It has Albert Sr. in the front row and you can read the STOKES sign on the wall to the upper left. (I think Albert Jr worked there too.)

I hope this helps. It's been fun at this end.

Thanks

Jack
