From my memory - and easy to answer:

On Mar 26, 2006, at 6:14 AM, Samuel Minter wrote:

But don't go through the trouble of making a huge pile of photocopies for me. I'm only looking for specific things.

Right now here are the top 10 things from your side of the family I'd like:

#1) Birth location and birth and death year for your father

Born in Searcy County, Arkansas - no town, were homesteaders before there was one.
Born in 1904. Died in 1941.

#2) Birth place for your mother

Born in Mendon, Vermont

#3) Your father's father's birth and death years and birthplace

not in my head

#4) Your father's mother's birth and death years and birthplace

not in my head

#3) Death year for your mother's father

when I was a sophomore in college - between Sept 1960 and May 1961

#4) Birthplace for Hiram Harvey Hurlburt, Jr (your mother's father's father)

unknown in my head - he lived in Bennington, VT and that is where my grandfather Hurlburt (Donald Paul Hurlburt) was born

#5) Birth/Death years and birthplace for Helen Marie Herendeen (your mother's father's mother)

???

#6) Birth/Death years and birthplace for George Henry Wright (your mother's mother's father)

???

#7) Birth/Death years and birthplace for Crucy Eliza Elmer (your mother's mother's mother)

???

#8) Death year and birthplace of Hiram Harvey Hurlburt Sr *your Mother's father's father's father)

???

#9) The birthplace of Susannah Bullard (your mother's father's father's mother)

#10) The names, years and birthplace for George Henry Wright's parents (your mother's mother's father's parents)

???

Will try to remember to send you a copy of appropriate documents in July if you are still interested then. Or you can email David - he put together a packet of material for your cousin Scott about a year ago. Presume I have the most basic of what he has found but I do not probably have everything.

Good luck on your search.

Your family is with you now - I presume you will not be doing a home visit to Florida then until sometime mid April or so???? Is the house there on the market yet? I hear the prices are holding up but the time to make a sale is lengthening. At least in Naples, FL where my friend is.

Have a good week. mother

As I do more internet searches this list will change of course...
