Hi Sam - Just a few notes for places lived for Ralph Aaron Brandon.

North Waterford, Maine

Hamersville, Ohio

How about the educational years?

Defiance, Ohio (Defiance College)

New Haven, Connecticut (Yale University)

Where do you find the time for all of this research. Of course I'm not as computer literate as you so I suppose that the computer aspects of the project are much more efficient for you than they would be for me.

Take care. Paul
