Wow - that is twice recently you have gotten to this!!!! Congratulations!!!

Just for kicks I clicked through to my own name from your Brandon tree - did not read the excerpts from things I wrote but there are two typos in the places I have lived: Ribaue, Nampula Province, Mozambique seems to have had trouble where there were accents - this is it without accents and fourth from the bottom it is Pelham, MA not Pehlman

I know it will be ages before you have time to correct these but...

The last time I sent out one of these notices about changes to this list of people was back in 2010. Apologies if I missed any changes in between. But there was one (very minor) recent one. If anybody doesn't want to be included when I do these updates, just let mw know. As you can see, I haven't had much time for this lately, so updates are few and far between. :-)
