Yes, Eber sounds right. Lib Minter John Minters widow in Austin has a lot more of the minters, alas, she doesn't do email and has maclear degeneration. But she has a clear memory and papers. I am sure if you are ever in Austin I will give address and phone. John was Daves older bro. missionary to China. They were great buddies even growing up. both were Eagle Scouts and we always saw that couple once a year thanks to John. in Canada, Berkeley, Texas. they built a canoe together and sailed it on Lake Austin the rive that runs through town and was damned. Me
