will send what I know and will get some help from my Moms side of the family: Rayburn, Stamper(the part Cherokee) etc. Davids dad and mom were Wm and Harriet(so you see bill was named for both grandpas and my dad was Wm Maynard Wootton. the grandparent Minters were head of an orphanage in the Carolinas. belonged to the S. Prebyterian church which was separated at that time from the north. Then Dad Minter was pastor of the First Southern Presby. church downtown in Austin Tx and was there for 25 years. He retired to Palestine, Tx for the last years of his pastoral life, and died in Taft, Tx near Corpus christi. I think his Dad was a planter in the Carolinas. My dads dad was the"little sheriff" Jas R Woottonmarried to Susan Groves. He had bloodhounds who helped him track criminals who were trained to eat from no one else. I don't know about his folks. I was named for both grandmothers: Mary(for Mary Alice (Stamper) Rayburn and Sue Wootton. More later as Luca says after his short emails">) love grandma
